*A Beautiful Soul we will Always Remember*

It is with great sadness that we announce the untimely passing of Miyumi Sasaki. Miyumi passed away on March 14/2007 succumbing to her illness with cancer. Miyumi was a dedicated Teacher and Educator working with the Toronto District School Board and a member of Pan Fantasy for the past 20 years. She was a devoted educator who advocated for the steelpan and steelpan programs in the Toronto school system. She thought that all students could learn and insisted on getting the best from everyone of them. She was a long standing member of the pan community at large, a good friend and a professional colleague. Miyumi was also a devoted mother and wife. Miyumi Lisa is survived by her husband Ivory, and her two loving daughters Nayo and Kioni.
