Chorus

When yuh see we come to play, we are conquerors
 So doh stand up in de way, we are conquerors
 When is time to ramajay, we are conquerors
 Look we going all the way, we are conquerors
 To de top, to de top, to de top, to de top
 Up and down the scale we moving
 You doh know where next we going
 Left to right and soft then harder
 Like innovators
 Note for note we playing
 This steelband not joking
 We are conquerors.

Verse 2

For most performers, the challenge is really tough
 Getting to the top, is really so rough
 The enemy, is when you doubt mentally
 Negatively, your ability
 Especially, when yuh feel the deck have mark
 Putting you further in the dark
 But the way out, is to cut out all skylark
 And, cut the negative
 And, that's your privilege And, push the positive
 Let your passion feel the pong.

Verse 3

We are conquerors, on the road to victory
 No one cyar stop we, in search of glory
 For all in place, the triumph we now could taste
 Expectantly, confidently
 We will welcome, whatever situation
 For we have, the intuition
 To overcome, the strongest opposition
 Time to, unleash weaponry
 Time to, display gallantry
 Time to, crush all and sundry
 As the commander strike de gong
